SUMMARY

A Digital Marketing Specialist with 4+ years of experience and a strong focus on performance marketing, managing multi-platform paid campaigns (Google Ads, Meta Ads), SEO, and KOL collaborations for consumer brands. Proven track record of delivering measurable growth, including 289% sales growth in 6 months, and 13M+ views through influencer-led campaigns. Combines data-driven decision-making with AI-assisted analysis (Claude) to optimize budget allocation, identify scaling opportunities, and consistently outperform targets across the full marketing funnel.

EDUCATION

Paramadina University | 2014 – 2019

Bachelor of Communication Science

RevoU | May 2023 – August 2023

Full Stack Digital Marketing — Online Academy preparing students across Indonesia for most in-demand tech jobs.

PROFESSIONAL EXPERIENCE

Audelacare

Senior Digital Marketing | October 2023 – Present

- Website audit for SEO purposes
- Redesigning the website while adhering to SEO best practices
- Creating blogs and articles to generate traffic and leads
- Managing, analyzing, and optimizing Google Ads for lead generation and conversion
- Managing, analyzing, and optimizing Meta Ads for lead generation and conversion
- Analyzing web activities in Google Analytics and analyzing Google Ads & Meta Ads reports
- Conducting KOL research and managing collaborations with influencers aligned with the brand persona
- Supervising 1 Social Media Creator, including content calendar planning on a monthly basis
- Running CRM activities using Mailchimp to engage and retain customers

Achievements:

- Generated 2,000 leads in just 3 days through a Meta Ads campaign for a free adult diaper sample program, demonstrating strong audience targeting and creative strategy.
- Grew total sales by 289% in 6 months (October 2025 – March 2026 vs. prior period) by implementing multi-platform A/B testing and reallocating budget toward the highest-converting platforms and campaigns.
- Delivered strong top-of-funnel & mid-funnel growth over 6 months of optimization: impressions +65%, CTR +86%, Add to Cart +437%, and Add to Cart Value +681%, reflecting improved reach, relevance, and purchase intent.
- Achieved 13 million views through a KOL collaboration campaign with a soft-selling approach, successfully expanding brand awareness while maintaining audience trust and content authenticity.
- Successfully ranked several product pages on Google Page 1, competing directly against major marketplaces. CTR remains a challenge due to marketplace dominance in SERP, with ongoing optimization in progress.
